

Repair order

Please fill in **all** fields and provide a separate repair order for each product shipped to INVERS. Please package the equipment to be repaired in a professional manner.

We hereby authorize INVERS GmbH (Untere Industriestraße 20, 57250 Netphen, Germany, Fax: +49-271-23888-29) to repair the product specified below. If a repair cannot be performed free of charge (even when considering generous warranties, guarantees, or grace periods that may apply), we agree to cover the price of repairs for an amount of up to 220€ / \$270 USD / \$300 CAD, provided that this does not exceed the price of a new unit. Shipping and insurance charges apply.
